Austrian Shoulder Symposium

SAVE-THE-DATE

Wednesday, June 19th 2019

Prof. Spitzzy-Auditorium · Orthopaedic Hospital Vienna-Speising

New trends and current concepts in shoulder surgery

Austrian · Shoulder · Symposium

Dear colleagues,

we are very happy to celebrate our 5th anniversary of this symposium and host yet another expert faculty of Austrian and international shoulder specialists.

A streamlined programme covers the newest trends in shoulder arthroplasty and arthroscopy and offers a condensed review of established techniques – to bring you up to date on every possible current shoulder topic.

We look forward to expert presentations, interactive discussions and industry exhibition, workshops as well as ample opportunities for networking.

I look forward to welcoming you in Vienna in June!

Alexandra Pokorny-Olsen, MD
